

WHERE YOUR IAM DUES GO

The IAM is looking to collect **millions** each year from Delta BW ACS and Cargo employees. Think those dollars would be put to work on your behalf? ***Think again.***

MORE THAN HALF of your dues would go to union leader salaries, towards organizing efforts at other companies, and on lobbying.

Put your hard-earned dollars to work for **you and your family**
– not in someone else's pocket.

DON'T RISK IT.

DON'T SIGN IT.

Be Delta. **Be Different.**
