IAM airline contracts include provisions for firing employees who don't pay their union dues. And they've done so before:

The following Northwest Airlines employee has been advised by Local Lodge 1445/EWR and by District 143 of his obligation to meet the requirements for employment under the provisions of the current IAMAW-NWA Equipment Service and Stock Clerk Personnel (ESSC) labor agreement and has failed to do so:

EWR

In accordance with the provisions of the union security article of the IAM-NWA ESSC labor agreement, **we request the immediate discharge of the employee.** Please furnish this office with a copy of the discharge notice and the date of discharge for our records.

Delta doesn't believe you should have to pay to come to work.

Don't put your future in the hands of a third party
that only sees you as money in their pocket.

DON'T RISK IT.

DON'T SIGN IT.
