

YOUR PRIVACY IS IMPORTANT. JUST NOT TO THE IAM.

The IAM will do anything to get your signature on an A-card. Stepping up the pressure on Below Wing and Cargo Agents, IAM organizers have:

- Sent unsolicited texts to agents and their families – even minor children and parents
- Spammed agents' email with multiple requests to sign and resign cards
- Made unannounced visits to agents' homes – sometimes repeatedly
- Told agents who never signed a card that they needed to “renew” an “expired” card
- Shared a list of names of those who supposedly signed a card – despite their promise to keep this information confidential
